

# Klenz

## PRODUCT SUMMARY

The body deals with toxins on a daily basis: food, viruses, bacteria, chemicals and dyes in clothing, carpet, and paint. Even negative thoughts can create toxic chemistry. A healthy body is equipped to neutralize and get rid of these invaders. Sometimes, however, these overwhelm the body causing symptoms and syndromes such as allergies, gout and excess weight. Assistance is needed; the body needs help to detoxify.

Many cleanse recipes dehydrate the body and stress the organs as the body sheds toxins quickly; these cleanses can also strip necessary vitamins and minerals from the body and can actually do more harm than good.

Klenz introduces a better solution. Work with the body as it functions naturally by supporting those organs in charge of detoxification. Get rid of sick proteins held in the form of excess fluid in the kidneys, bladder, and interstitial cells. Clean out the debris stored in the gallbladder, liver, intestines and colon. Finally, support the immune system as it fights off foreign invaders by incinerating viruses and bacteria with oregano. This is done without dehydrating the body and flushing out the stored vitamins and minerals.

**Klenz Contains 90 Capsules**

## KEEPING YOU HEALTHY WITH KLENZ

- **Detoxify Digestive System**

Klenz neutralizes toxins that invade the digestive system through food, the environment and emotions. As the toxins pass through the body, Klenz stimulates healthy liver, gallbladder and colon function, which shields the body from harm.

- **Detoxify Kidneys and Bladder**

Neutralizing environmental toxins, food, and emotions that accumulate in the kidneys and bladder is vital to a healthy urinary system. It also cleanses the excess proteins in the interstitial tissues that cause gout.

- **Detoxify Immune System**

Klenz neutralizes toxins affecting the lymph system, a vital filtering system that includes the spleen. This system can also become overloaded with toxic debris as it works to cleanse the cells by absorbing fluids, fats and toxins into the blood so it can be filtered out of the body through the kidneys and liver.

## EXPERIENCE THE DIFFERENCE:

VerVita nutrition supports the body functioning as a whole; it nourishes and balances the energy flowing through every structure, organ, gland, and cell. A healthy rhythm and function are created as the formulas are designed to synergistically stimulate/relax and push/pull.

## KEY INGREDIENTS OF KLENZ

**Amino acids:** **L-Carnitine** supports the heart and plays a role in mitochondria detoxification (mitochondria produce energy in cells.) **L-Methionine** supports the liver detoxification.

**Antioxidants:** **Alpha-Lipoic acid** acts as a liver antioxidant and detoxifier. It supports the immune system.

**Herbs:** **Oregano** acts as a broad-spectrum antimicrobial. **Uva Ursi** supports urinary function. **Arrowroot** acts as an anti toxin and soothes the gastrointestinal tract.

**Garcinia Cambogia** supports normal appetite, body weight, lipid levels, and fat and carbohydrate metabolism.

**Vitamins and Minerals:** **Vitamin D3** supports a healthy immune system.

**Chromium** assists in balancing blood sugar and metabolizing other nutrients.

**Choline** is vitamin-like. It detoxifies and transports fat from the liver.

**Food Grade Urea** supports kidney function and denatures sick proteins the body cannot release, which is important for those experiencing pain from gout.

## Possible Side Effects:

As Klenz works to *incinerate* the excesses, symptoms of fever, tired and/or dryness may occur. For best results, take Klenz with a PM meal or at bedtime. Fragile or petite persons may substitute VerVita's Kalmz formula as a gentle alternative to Klenz.
